

PRODUCT H&B Wash

Description:

H&B Wash or Hand & Body Wash is a non-hazardous solvent-free water-based synthetic formulation designed for use as both a hand soap and a body wash in kitchens, bathrooms, and bathhouses.

H&B Wash incorporates the latest technology in emulsification and skin protection ingredients to deliver superior cleaning performance while protecting skin from drying. All emulsifiers used are fully biodegradable, making this product safe for use in septic tanks or pondage outfall areas.

H&B Wash contains a natural antioxidant and sanitizer to help protect the skin from bacterial infections.

H&B Wash has a pleasant apple fragrance to leave hands clean and fresh without any residual overpowering smell that may impact at meal times, or if used around food handling areas.

Features & Benefits:

1. Powerful cleaning action yet mild on skin.
2. Contains natural antioxidants and sanitizers to protect skin.
3. Contains emollients to help protect skin from drying.
4. Low odor – will not adversely impact on subsequent activities.
5. Ideal viscosity for manual or automatic dispensing.
6. Economical – a small amount goes a long way.
7. Non-toxic and biodegradable – safe to use and low environmental impact.

Technical Data:

Appearance	Opaque pearlescent medium viscosity liquid	Specific Gravity:	1.05 @ 20 ⁰ C
Odour:	Slight apple.	Solubility in Water	Completely soluble
Viscosity:	160CPS @ 20 ⁰ C	Biodegradability:	Fully Biodegradable.
Flash Point:	Non Flammable	Boiling Point;	100 ⁰ C
pH:	6.5 @ 20 ⁰ C.		

Directions for Use:

As a hand wash:

Wet hands then simply apply approximately 5 ml of **H&B Wash** to hands, rub in well to produce a rich lather, paying attention to areas around nails and joints, then rinse off with water while rubbing hands together.

As a body wash:

Ensure all areas are wet first, then apply using either a sponge or dispensed directly from a dropper. Work up a rich lather then rinse off. **H&B Wash** may also be used as a general purpose hair shampoo where required and will not strip the hair of natural oils.
