

# PRODUCT Overhaul 100

## Description:

**OVERHAUL 100** is a multi-purpose heavy duty detergent designed to remove a wide range of soils from concrete floors, plant and equipment, sealed vinyl floors and ceramic tiles. The combination of a unique blend of wetting agents and emulsifying agents combined with D-Limonene will penetrate the toughest soils.

## Features:

\* Contains biodegradable surfactants\* Caustic and phosphate free \* Pleasant citrus fragrance

## Product Characteristics:

**OVERHAUL 100** is an aqueous based detergent degreaser which will produce maximum cleaning performance even in hard water conditions as well as ensuring safe use on all reactive metals.

## Benefits:

Fast, convenient removal of all contaminations, especially coal, lead and iron ore dust

- Rapid emulsion breaker
- Effective and safe on all surfaces
- Environmentally sound
- Clings to vertical surfaces
- Non-flammable
- Low odour
- Non hazardous
- Not classified as Dangerous Goods

## Directions for use:

### Light To Medium Soils

10 - 25% solution. The cleaning solution can be applied by a number of methods, e.g. brush, swab or spray the surface, leave for a short period and rinse the surface with water when still wet or wipe down with a clean damp cloth.

### Heavy Soils

25% solutions to neat product.

For heavier soils it is recommended that the **OVERHAUL 100** solution be left on the surface for 3-10 minutes to ensure complete penetration of the soils prior to rinsing off with water..

## PRECAUTIONS:

If poisoning occurs, contact a Doctor or Poisons Information Centre Phone 13 1126 Reference should be made to the Material Safety Data Sheet (MSDS).

Avoid prolonged skin contact

If splashed in eyes, rinse immediately with copious amounts of water.

For further information, consult Material Safety Data Sheet.
