

# PRODUCT OIL EATER

## THE OIL EATER IS OLEPHILIC, LOVES OIL AND IS FIRE RETARDANT

The OIL EATER® is the environmentally friendly solution for all types of oil, paint & chemical spills.

With an international patent on its fire retardant propensity, it will simply soak up all hydrocarbons, oils, paints, lubricants and chemicals whilst maintaining it's non slip and anti skid capabilities.

User friendly in wet or dry conditions, it complies with all Health and Safety, Work Safe and Environmental Protection Authority regulations. It can be used on any surface and will not leach.

This naturally occurring biodegradable substance is also available within a unique and comprehensive range of cost effective packages for all of your Emergency Spill Response Management needs.

Manufactured from the husk of coconut, this biodegradable coir substance is easily disposable and truly amazing.
